

Washington Federation of Republican Women

Invite you to join the

Winners' Circle

What is "Winners' Circle" ?

The "Winners' Circle" program is designed to provide a giving opportunity for members and Republican women supporters to donate financially to WFRW, receiving special recognition while doing so. Members' names are published on our website, www.wfrw.org, and in our state-wide newsletter, **Washington Republican Woman**. We offer several levels of participation in Winners' Circle to provide a fit that is right for you.

Why should I join?

"Winners' Circle" members enjoy exclusive receptions at WFRW's regular Board of Directors meetings and the Biennial Convention. The event may be a private wine tasting, visit to an historical mansion or other point of interest, or a reception with dignitaries in a local hall. All include an elaborate spread of hors d'oeuvres and beverages along with a fine time of socializing with other members. If the venue is off-site, round-trip transportation is provided. By the way, we strive to incur no cost to WFRW for these events—they are arranged by hosting clubs and may be underwritten by local businesses.

Where does the money go?

Our primary focus is on educating women in the political process. We provide educational workshops with printed materials and use our own audio/visual equipment which must be occasionally maintained or replaced. We require updated software in order to stay abreast of today's technology.

It takes money to make money—and even our fundraising efforts incur expenses, i.e. t-shirts, pens, pins, etc. Although we try to assure that all of our statewide events are self-supporting, we must have money available for down payments and to cover any unexpected costs.

WFRW depends on a portion of the regular annual membership dues and special fundraising events for our operating budget. But there is so much more that we need to do to ensure that WFRW remains strong and continues to attract quality women to our quality organization. YOUR membership in Winners' Circle helps us do that!

In the near future, we hope to form a PAC (Political Action Committee) to raise funds for candidates. Until that time, we continue our education for members through workshops and campaign schools encouraging them to run for office and to help them be valuable, knowledgeable volunteers on campaigns to elect Republicans!

Special memberships are open to men and we encourage them to join.

Candidates and elected officials are also invited to support WFRW
by becoming members of WINNERS' CIRCLE!

FOLD AND DETACH HERE.

Yes! I want to support WFRW by joining Winners' Circle! Sign me up!
