

WFRW Bylaws Committee Report

April 29, 2023

The priority of the WFRW Bylaws Committee for 2023 is to ensure that all WFRW club bylaws comply with the WFRW and NFRW bylaws requirements. The major change in procedure is that club advisors are no longer involved in the bylaws review process.

Each club's bylaws committee should review their club's bylaws every two years.

1. Use the Sample Club Bylaws on the WFRW website (wfrw.org, under Resources: Bylaws, Standing Rules, etc.) as a template.
2. Include one of the Endorsement Policy options and other options highlighted in green throughout the template.
3. Make sure that the Membership Article follows the Sample Club Bylaws.

The club president should review the new bylaws draft and then email it to the WFRW Bylaws Committee (karenolson@msn.com).

After approval by the WFRW Bylaws Committee, the club must follow the bylaws amendment procedure and vote to approve the bylaws. Then send the approved bylaws to your club advisor and the WFRW Bylaws Committee.

Karen Olson
WFRW Bylaws Chair
