

Washington Federation of Republican Women
April 29, 2023, Board of Directors' Meeting
Scholarship Committee Report

The Scholarship Committee is pleased to report that two of our clubs have donated a total of \$342. I wish to thank those clubs that are supporting our scholarship fund. Don't forget that supporting a scholarship fund such as WFRW earns points on your club achievement awards.

Now that is only part of making a scholarship fund successful. We need applicants. I can't believe our members don't know potential candidates. There is money to give away – please help us.

Thank you.
