

Website Committee Report

4-29-23

Thank you for checking out the website from time to time. It is our goal to keep it current and full of good information. On our homepage you will find legislative information, and I will add, Carolyn Williams keeps this quite current. So if you are wondering what is going on with the legislature, you should come click on this first.

Sharon Krey has her Constitutional Corner. So far she has completed lessons which take you through Article 1 of the Constitution. If you didn't know this, you should be checking out this section of the website.

We also try to provide a bit of up-to-date information about our own Washington State member and NFRW President Eileen.

How many of you order things from Amazon? Do you all know about the Amazon link as a form of fundraiser for WFRW? If you know you are going to order from Amazon, just start your search here on the WFRW page, click this link and it will take you directly to the Amazon site and you can just go about your business. And WFRW gets some money when you do this.

As the webmaster, I like to remind people that I don't create the content on the website, I get it posted to the website, so you as members need to be thinking about making submissions, but most of all, as club presidents, you need to make sure that your page under Find a Club is current. There is a form you can fill out, but I want you to know that I would love it if you just called me and we had a chat, because then that way by the end of the conversation everyone is happy. And your page can include not only club information but photos of what your club is doing. Thank you.
